Kathy Sargent's family includes her husband Eric and sons Gage, 14, and Michael, 11.

Occupation:

Director of the Sanford Regional Technical Center

Family: Husband Eric and sons Gage, 14, and Michael, 11

Teacher/s who made a difference in YOUR life?

So many, but if I have to choose one, it would be Karen Lemke, who was a professor in the Elementary Education program where I studied at Saint Joseph's College. She was a true mentor to me as an educator. She was fun, witty and exceptionally smart and caring. I felt that she knew me as a person, sometimes better than I knew myself in those years.

Why do you serve on the board?

The Legacy Foundation has been instrumental in acquiring new equipment for some of the programs at the Sanford Regional

Technical Center. I serve on the board with gratitude for all that Legacy has done and continues to do for SRTC. Legacy has also supported a number of initiatives, such as the "Have a Seat Campaign," that allow community members to contribute in smaller ways, which allows us all to feel a sense of pride in what we have created. Sanford is a proud community, and I think the Legacy Foundation helps us to show that pride through our schools.

What is your favorite things to do in Sanford?

I spend a lot of time, in and out of Sanford, attending my sons' athletic events, which is one of my favorite things to do.
