

## Kendra Williams

Legacy Board member and incorporator since 2016

Kendra and Paul Williams live in Sanford near their three children and grandchildren.

**Occupation:**

I'm a Licensed Clinical Social Worker and have recently retired from private practice as a Grief and Family Counselor.

**Family:** I've been married to my husband, Paul, for 50 years. We have 3 adult children, Shawnda, Blaine and Brett and are fortunate that they live nearby with their spouses and our grandchildren.

**Name of a teacher who made a difference in YOUR life?**

Mrs Chick, who was my accounting teacher at Sanford High School. She was

strict and savvy but an excellent teacher. I learned so much from her. What I learned enabled me to start a construction business with my husband and then a children's shop before I became a Social Worker.

**Why do you serve on the board?**

Having served on the School Committee and Core Building Committee, I'm aware of how the school and construction

budgets have limitations that cannot provide for enhancements that will benefit our students. The Legacy Foundation provides such opportunities.

**Favorite thing to do in Sanford?**

I enjoy walking and using the excellent trail system. I've always liked volunteering on various committees, which I find I learn so much from. More recently I've enjoyed the offerings at the Sanford Performing Arts Center. And, of course, I absolutely love the frequent interactions I have with my family and friends.
