Why do you serve on the board?

I serve on the board because it provides tools and opportunities not covered by traditional school budgets.

Teacher/s who made a difference in YOUR life?

So many for so many reasons: Lorraine Chick, David Greer, Brian Flannagan, John Cochin, Betsy Glazier, Angelo Tsika, Mr. Day, Mr. Gagne (French teacher) among them. They were truly interested in

students' learning, and they were coaches and band directors.

What is your favorite things to do in Sanford?

My family has started a number of businesses here in town, primarily Patco Construction and Safe Storage. I have been involved with community organizations for years: the Red Cross; past president of Kiwanis and the YMCA; Chamber of Commerce board of directors; Sanford High School Keep Club advisor; coach of numerous soccer and baseball programs; Sanford High School building trades program; volunteer in the school classrooms; Sanford Charter Commission; Sanford Zoning Board of Appeals; Sanford Town Meeting member: and more. I just give back to the community where I can. I also enjoy biking around the community in the summer and hosting beach volleyball games at my house.
