

Diana Allen

New board member March 2022

Life/Environmental Science Teacher Diana Allen talks to her students about the 500-gallon aquaponics system at Sanford Junior High School.

In her spare time, Diana likes to hit the trails! Last summer Allen went to Yellowstone National Park, with Ecology Project International, on a \$4,200 grant she wrote and received.

Occupation:

Sanford School Department

Family: My daughter's name is Jamaica Leah, my other half of over 20 years is Bob Winn Jr.

Teacher who made a difference in YOUR life?

I actually moved around a fair amount as a student and never experienced a good teacher. That is the irony of me being a

Why do you serve on the board?

I wanted to join the board so I could help this community. I've worked in Sanford

teacher and the fuel behind why I'm a teacher that cares so passionately about my students and their education well being.

for 18 years and I want to do my part to give back. I think the goal of this board is commendable, and I like that I can help be a part of it.

What are your favorite things to do in Sanford?

To be honest most of the time that I'm in Sanford I'm teaching, planning cool things or coaching but it is what I love. However, I do enjoy walking the trails and visiting friends in town!
